

Margate Village was built in 1974 and enhanced by parking shade sails, in addition to an extension of 280m² in 2000. External refurbishment and carpark resurfacing in 2023 gave the centre a fresh new look.

The centre is the hub of shopping at Margate and has a base of loyal local customers. The lifestyle of the Redcliffe Peninsula is relaxed, with a distinct focus on leisure and recreation. It is an easy 40-minute drive north from Brisbane.
